My heart was too big for my body, so I let it go.

~Anis Mojgani

Will I be something? Am I something? And the answer comes: You already are. You always were. And you still have time to be.

~Anis Mojgani

This universe is a fan of you. Watch the flowers in the morning, how they open towards the same sun that spends its whole day following you.

~Anis Mojgani

Do not let one moment go by that doesn't remind you that your heart beats 900 times a day, and there are enough gallons of blood to make everyone of you oceans

~Anis Mojgani

I want my words and actions to be the quantification of my love. To make tangible the passions in my heart for the world and the people in it.

~Anis Mojgani

I dream too much, and I don't write enough, and I'm trying to find God everywhere.

~Anis Mojgani

I already am, I always was, and I still have time to be

~Anis Mojgani

We are ghosts, hungry for something bigger than what our lips are kissing.

~Anis Mojgani

We become extraordinary when we realize how extraordinary our

existence is.

~Anis Mojgani

It is better to love every person, than to wait for one person to love you.

~Anis Mojgani

You are quite the beauty. If no one has ever told you that before, know that right now. You are quite the beauty.

~Anis Mojgani

I know sometimes, that all it takes to be invincible, is to know you are such.

~Anis Mojgani

Believe me when I tell you my soul has squeezed into narrow spaces.

~Anis Mojgani

Love is a broken vase whose shape everyone remembers differently.
