Perfect, Love Is, Elude Us, Universe, People, Attitude, Joy, Way, Doe, Law Of  
Attraction, Thinking, Being Yourself*

In the tapestry of life, we're all connected. Each one of us is a gift to those around us helping each other be who we are, weaving a perfect picture together.

~Anita Moorjani

Spirituality does not have to be serious. You are spirituality. Fun laughter heal you faster than anything. Introduce fun back into your life.

~Anita Moorjani

When you realize your own magnificence, you will only attract magnificence into your life.

~Anita Moorjani

Once you start believing that something is possible, you start to let it in to your awareness and it starts to become true to you.

~Anita Moorjani

Religion is just a path for finding truth: Religion is not truth. It is just a path. And different people follow different paths.

~Anita Moorjani

Loving yourself means being your own best friend, standing by yourself at all times, including times of failure; being there for yourself no matter what.

~Anita Moorjani

Love yourself like your life depends on it, because it does.

~Anita Moorjani

Everything that seemingly happens externally is occurring in order to trigger something within us, to expand us and take us back to who we truly are.

~Anita Moorjani

Your only purpose is to be yourself, otherwise you deprive the universe of who you came here to be.

~Anita Moorjani

We will see beauty in the outer world when we are able to see beauty within ourselves. And this is the best thing we can do for ourselves and for the universe.

~Anita Moorjani

We are not these bodies; we're neither our accomplishments nor our possessionsâ€”we are all one with the Source of all being, which is God.

~Anita Moorjani

When I was willing to let go of what I wanted, I received what was truly mine. I've realized that the latter is always the greater gift.

~Anita Moorjani

I can't say this strongly enough, but our feelings about ourselves are actually the most important barometer for determining the condition of our lives!

~Anita Moorjani

When I am willing to step into the realm of uncertainty and ambiguity, I open myself up to infinite possibilities.

~Anita Moorjani

I am at my most powerful when I am working with life rather than against it.

~Anita Moorjani

The universe is contained within us, and what we experience externally is only a reflection.

~Anita Moorjani

The way to find your happiness joy is to make a list of all the things that are fun for YOU to do. Then do some of those things everyday.

~Anita Moorjani

Unconditional Love is our birthright, not judgment or condemnation, and there's nothing we need to do to earn it. This is simply who and what we are.

~Anita Moorjani

I knew that was really the only purpose of life: to be our self, live our truth, and be the love that we are.

~Anita Moorjani

...letting go of attachment to any way of believing or thinking has made me feel more expanded and almost transparent so that universal energy can just flow through me.

~Anita Moorjani

Make everyday decisions from a place of love.

~Anita Moorjani

We are all one, we are love at our core, we are magnificent

~Anita Moorjani

Whatever you believe, you will find that you are correct. The Universe has a way of presenting to you exactly what you believe.

~Anita Moorjani

When we're each aware of our own Magnificence, we don't feel the need to control others, and we won't allow ourselves to be controlled.

~Anita Moorjani

I perceived that I wouldn't have to go out and search for what I was supposed to do- it would unfold before me.

~Anita Moorjani

The games we have the ability to play in our minds amaze me.

~Anita Moorjani

I'm loved unconditionally, for no other reason than simply because I exist.

~Anita Moorjani

Unconditional love is our birthright!

~Anita Moorjani

All that materializes dematerializes.

~Anita Moorjani

We were not born with guilt nor obligation. When you give in to guilt, you endorse it.

~Anita Moorjani

Dying to be Me: My Journey from Cancer, to Near Death, to True Healing.

~Anita Moorjani

Terror collided violently with reason.

~Anita Moorjani
