Smart, Use, Can Do, Inception*

It is both possible (and even necessary) to simultaneously enjoy media while also being critical of its more problematic or pernicious aspects.

~Anita Sarkeesian

There's no such thing as sexism against men. That's because sexism is prejudice + power. Men are the dominant gender with power in society.

~Anita Sarkeesian

I am not a fan of video games, I had to learn a lot about them. I would love to play video games, but I don't want to go around shooting people, and ripping off their heads, and it's just gross.

~Anita Sarkeesian

One of the most radical things you can do, is to actually believe women when they tell you about their experiences.

~Anita Sarkeesian

The US bombed them back to traditional values - feminism does not exist in Japan. While I don't like judging an entire culture that does not excuse them.

~Anita Sarkeesian

I wanted to make feminism more accessible. And I really wanted to engage with my own generation, one that is increasingly speaking in an audio/video multimedia language.

~Anita Sarkeesian

The struggles of dealing with online harassment is the same harassment that women have been dealing with, it's just a new medium in which it's happening.

~Anita Sarkeesian

The gaming industry has been male-dominated ever since its inception.

~Anita Sarkeesian

Well maybe the princess shouldnt be a damsel and she can save herself.

~Anita Sarkeesian

Some male gamers with a deep sense of entitlement are terrified of change.

~Anita Sarkeesian

I really want to help write women back into history.

~Anita Sarkeesian

The struggles women face today are simultaneously very, very old and very new.

~Anita Sarkeesian

Ordinary Women was shot on a soundstage with a professional crew and a professional animation studio creating everything.

~Anita Sarkeesian

I hadn't mentioned, but Ching Shih is a pretty villainous character. She is a real person, but she was a pirate commander, so she probably murdered a lot of people.

~Anita Sarkeesian

I got to focus on my performance - learning how to perform is something I've been working on both personally and professionally.

~Anita Sarkeesian

I'm no stranger to a bit of sexist backlash, but I was surprised by the level of vicious and misogynist hate I received.

~Anita Sarkeesian

It's been really exciting to work on a collaborative, creative team where we got to bounce ideas back and forth and figure out the best one.

~Anita Sarkeesian

I wouldn't call it a silver lining, but with more women speaking up, online harassment is beginning to be taken more seriously.

~Anita Sarkeesian

I'm really thriving and enjoying being a part of a really vibrant creative team and doing creative work.

~Anita Sarkeesian
