Whoever insults the message of Mohammed is going to be subject to capital punishment.

~Anjem Choudary

Actually, as a Muslim, we believe sovereignty and supremacy belongs to God. And therefore, we believe in submitting to the commands of God.

~Anjem Choudary

Freedom of expression does not extend to insulting the Prophets of Allah.

~Anjem Choudary

I believe Islam is superior. And will not be surpassed. So I believe that the law of God is much superior to man-made law.

~Anjem Choudary

You cannot have man legislating and playing God in Parliament, and at the same time believe that Allah is the only legislator.

~Anjem Choudary

The Christians and Jews can live side by side with the Muslims, as they did in the heart of Europe for over 800 years in Andalusia.

~Anjem Choudary

When the heavens are with you, when the earth is with you, when the sea is with you, when the wind is with you. Who's going to defeat you after that? Nobody.

~Anjem Choudary

The sensibilities and the emotions of Muslims must be taken into consideration in the context in which we live today.

~Anjem Choudary

I don't believe any Western journalists, quite frankly. I believe they're liars until proven otherwise.

~Anjem Choudary

Freedom of expression has a responsibility by those people who espouse it in the West, in particular non-Muslims.

~Anjem Choudary

Allah created my tongue to speak. I don't have freedom to come , because Allah created my feet to walk. So I walk, and I speak, and I look, and I hear according to what God says.

~Anjem Choudary

What engenders hatred towards the Sharia? When people find their basic needs are not being met, then people just see it as unfair.

~Anjem Choudary

The penal code deals with things like theft, false testimony, adultery, fornication, etc. and then there's the law of the state, the law of the individual and the law of the public.

~Anjem Choudary

Every person is born from an natural disposition, and the mother and father will make him into a Christian. So, I do believe that we are all born as Muslims, and, as we mature, we make decisions.

~Anjem Choudary

Sharia is derived from Arabic, and it means an "oasis." In the desert, man needs the oasis to survive. Sharia is not like any other religion or law, because Sharia is an entire system of life.

~Anjem Choudary

If the Sharia was to be implemented elsewhere, and, as part of its foreign policy, it would remove the operators in the way of preventing

the Sharia.

~Anjem Choudary

All law is from God, not from man. So, all laws are derived from the divine text, or the Koran.

~Anjem Choudary

If the Khalifah implements even one law outside of the divine law, then he will be removed. The courts will face him and he will face capital punishment and he will be removed.

~Anjem Choudary

A man is merely to implement the law. He is there not to decide what to implement as we already have the law. We don't have a legislative body.

~Anjem Choudary

Your choices make you whoever you turn out to be.
