TV is terrific. It's really fast paced which I find difficult.

~Ann Dowd

Life gets more interesting as it goes on. It becomes fuller because there is perspective there.

~Ann Dowd

I think women are used to stepping up and getting the job done when you need to.

~Ann Dowd

I guess getting older has its benefits, one of them being perspective.

~Ann Dowd

I have to say my background was mostly theatre, which I love, and it took a long time to feel comfortable there. That's probably true of anyone's career.

~Ann Dowd

The work for the actor is always the same. We're looking for a human being. We're looking for believable human behavior.

~Ann Dowd

I always felt like a successful actor when I got a job.

~Ann Dowd

I can say that I am, by nature, optimistic.

~Ann Dowd

To me, being an actor is the best job in the land, next to being a mother and having a family and a husband. I just think it's the realization of, "Hey, this is the greatest situation in the world."

~Ann Dowd

The great thing about an independent film is that you're too busy working, and you're too busy hoping to God to get it done.
