I've discovered that in order to make big changes in the world, we have to begin at home -- within ourselves

~Ann M. Martin

Some people say that success equals money, but frankly, I don't think success is money at all ... Success is being the best at whatever you want to do well at.

~Ann M. Martin

I believe you are one of the people that can lift the corners of the universe.

~Ann M. Martin

I wonder how you say goodbye to someone forever?

~Ann M. Martin

Fight your battles with words, not fists

~Ann M. Martin

You got to accentuate the positive, eliminate the negative, and latch on to the affirmative. Don't mess with Mr. In Between.

~Ann M. Martin

I love to read, and I don't believe that you have to finish one book before you start another. --Mallory Pike

~Ann M. Martin

Because, you see, you only need one friend for a party. One is enough. Two is enough. Anything is enough.' ~pg 107; Adam on friendship

~Ann M. Martin

Maybe one thing is that you have to find the best way to write whatever works better for you.

~Ann M. Martin

Cats definitely have their own opinions.

~Ann M. Martin

I think the complaint that I hear most often from kids, even kids who like to write is that don't know what to write about. A journal is a great source of story starters.

~Ann M. Martin

Every time I finish a book, it's my favorite. I have a lot of favorites. I did just finish Jane Eyre and it was fabulous. I didn't want it to end.

~Ann M. Martin

For now, I just want things all safe and familiar. My life may not be perfect, but it is what I have known.

~Ann M. Martin

I want her back" I said "I want HIM back"~Charlie
