I'm a little bit more unusual so I consider myself as the black sheep.

~Ann Wilson

I like The White Stripes and I like the kinda twang American thing right now.

~Ann Wilson

Life can be dangerous; just let it be! When we shake off what we perceive as boundaries, that is where the bliss really is.

~Ann Wilson

Artists make art. Singers sing. Players play. Gypsies travel. Music lights fires everywhere. It's like oxygen!

~Ann Wilson

You have to also provide a video for it, look a certain way and big hair... If you're a woman it's even more strange with fake fingernails and corsets and all this stuff that was big in the 80s.

~Ann Wilson

This is such a cynical world. The way the world is, there's so much going on and so much stress in the world and so much darkness and craziness and imbalance.

~Ann Wilson

No way, because there's love relationships, there's sex relationships and then there's the band.

~Ann Wilson

I guess we decided to make a new record 3 years ago when Nancy was done scoring for Almost Famous.

~Ann Wilson

If you want to help the poor, don't be poor

~Ann Wilson

Getting out and staying out of debt is key. debt is the biggest barrier, a parasite to wealth.

~Ann Wilson

Led Zeppelin, you can't find a better band to pay homage to.

~Ann Wilson

I don't think we ever clash but we do become frosty.

~Ann Wilson

Fleetwood Mac are more like a folk-rock band.

~Ann Wilson

All the songs that were written for that album are just all our first sophomore songs. So they're all from real life. Very sweet and very innocent.

~Ann Wilson

It's a really bad idea to be in a band and get involved with each other.

~Ann Wilson

You noticed from last night, we only did two from the 80s. And our set's two hours long.

~Ann Wilson

I like the way remixes sound. Some of them are really creative.

~Ann Wilson

People can't just listen to the music and have their own imagination and take them where they wanna go.

~Ann Wilson

Use Time. Make it easy. Get your money to work for you. The key is to get in the market, as it is not about timing the market, but time in the market that matters.

~Ann Wilson

Heart has always been a rock band. It's always been hard-rock.

~Ann Wilson

Back when we were first making records, you didn't just make the music, you put a great deal of energy into the way it looked, and every word that was written on the whole thing.

~Ann Wilson

At that time a lot of young men didn't want to go to the war and kill. This guy that I fell in love with was one of those so he escaped to Canada and I followed him.

~Ann Wilson

I don't think we'll ever use the same sound techniques.

~Ann Wilson

I've got two sisters and they're both married and they're both much more settled into the way things are.
