For me personally, everything is on a kiss.

~Anna Friel

It's really important to draw the line on what we do as actors.

~Anna Friel

I've always chosen incredibly different roles and things that are quite offbeat. That way you're not limited.

~Anna Friel

You can see when an actor gets bored: Their eyes go dead. I promised myself I'd never let that happen. If it does, I'll go and live on a desert island for a year.

~Anna Friel

The doctors say it dates back to a film where I had these huge prosthetic breasts because my character was breast-feeding. The weight of them, and of the baby, did my back in.

~Anna Friel

These women need to feel that we're all aware of what they may be going through, to give them the confidence to speak out.

~Anna Friel

It's so important to raise awareness of this problem that continues to affect 1 in 4 women at some point in their lifetime, regardless of career, wealth or background.

~Anna Friel

I have the most lovely, healthy bouncing baby, she was all very compact and the right size.

~Anna Friel

When I was younger I thought I'd meet the man of my dreams, get

married and have a child, but it all went higgledy-piggledy. Never say never, though.

~Anna Friel

And the most important thing - apart from telling a good, believable story, and being a true character - is to be someone the audience will care about, even if you're playing a murderer or rapist.

~Anna Friel

When you're given something new, it's always exciting 'cause you're the first one to do it. You're not having to live up to any expectations, or be compared to anyone who's ever done it before.

~Anna Friel

Now learning a bit more about footballers I think what they need to do well, is someone who really wants to stay in the background and just be a strong support.

~Anna Friel

If oil exploration can threaten a place as beautiful and meaningful as Virunga, where next?

~Anna Friel

In Hollywood I got work but not the right work until Pushing Daisies. Every girl in LA wanted the part of Chuck. I was terrified - I didn't know if I could be funny.

~Anna Friel

I've got the best lead man, I really love my lead man.

~Anna Friel

I've never been onstage in my life.

~Anna Friel

I look at being an actress as being like a mummy: You're bandaged up and preserved as soon as you start making other people money.

~Anna Friel

Onstage, there's no hiding; you either can or can't act. There's no second take.

~Anna Friel

I want more children but for the next three years I want to act.

~Anna Friel

I've been onstage once for one performance with four days' rehearsal.

~Anna Friel

My whole family is quite petite, so I have good genes on my side. But I find it quite tiresome that we have to keep talking about sizes and how much weight we can lose.

~Anna Friel

Eternity to a child offers goodness, and eternal life to a man is essentially corrupting because it involves a certain amount of vanity to embrace it.

~Anna Friel

But Americans find me bizarre and always ask me why I eat so many carbs. I tell them I don't get full otherwise.
