The nationalist right have common views. They hate the EU, they hate NATO, they dislike trade, they admire Russia. Many of them are funded by Putin.

~Anne Applebaum

The evolution of a bourgeoisie is a healthy phenomenon when it grows and prospers thanks to bourgeois values: hard work, honesty, personal responsibility.

~Anne Applebaum

Unlike most European countries, the police in the US are decentralized; even the FBI has regional offices. Amending the constitution is a long and tedious process.

~Anne Applebaum

Putin is not a mass murderer. But, having said that, he is a product of the KGB, and the KGB was, of course, the secret police force of the Soviet Union.

~Anne Applebaum

The surge in right-wing populism and the phenomenon of Trump are related. You can think of them together as the same problem.

~Anne Applebaum

We may be reaching the end of the liberal world order.
