

Anne Wojcicki Quotes

*Thinking, Important, Believe, World, Genetics, Technology, Cancer, Fall,
Routine, Sick, Should, Type 2 Diabetes, Grandmother, Foundation,
Independent, Doors, Alzheimer, Wall, Risk, School*

I need to solve the problem. It's no different from how am I going to get my son out the door when he needs to go to school. It's a bigger version of that same type of problem.

~Anne Wojcicki

If you want to change this world, this community that we all live in, then get up and do it. And just start something.

~Anne Wojcicki

A solid foundation in genetics is increasingly important for everyone.

~Anne Wojcicki

One of the best aspects of health care reform is it starts to emphasize prevention.

~Anne Wojcicki

It is important to democratize personal genetics and make it more accessible.

~Anne Wojcicki

There should be choice in healthcare.

~Anne Wojcicki

Women who have been recently diagnosed with breast cancer can learn a tremendous amount from women who have already been treated.

~Anne Wojcicki

It's just the reality. Everyone's going to die and everyone's going to get sick at some point. But I do believe that there are choices you can make in life that will make you as healthy as possible.

~Anne Wojcicki

I think the U.S. is falling behind. There's massive government initiatives

going around the world and you see that there's a real enthusiasm for genetics.

~Anne Wojcicki

I guess I'm just fiercely independent.

~Anne Wojcicki

FDA clearance is an important step on the path towards getting genetic information integrated with routine medical care.

~Anne Wojcicki

Some genetic variants can be informative about ones risk for Parkinsons disease and Alzheimers disease.

~Anne Wojcicki
