I don't think being obsessed with sex is any stranger than being obsessed with stamp collecting.

~Annie Sprinkle

Blow jobs are okay, but kissing clients is still a taboo.

~Annie Sprinkle

Feel free to cover your eyes at anything that might upset you

~Annie Sprinkle

I've been putting out sexually explicit images of myself for years. I know this sounds bizarre, but somehow it makes me feel safer.

~Annie Sprinkle

I usually kissed my clients if they wanted to kiss. I thought it was just way too weird to say "no kissing allowed," That to me was uncomfortable.

~Annie Sprinkle

It's a pity that there's such a negative connotation about paying for sex.

~Annie Sprinkle

People who have been prostitutes are ten times more willing to be johns than the average person. So, if you've been paid for sex you understand the value of that experience on some level.

~Annie Sprinkle

A lot of women I worked with didn't respect their clients. I had some clients who didn't respect me, but still you somehow made it work.

~Annie Sprinkle

Sex is normal and natural, and we've made it abnormal and unnatural.

~Annie Sprinkle

I love to engage people who think differently than I do.

~Annie Sprinkle

I had orgasms with clients, even though it was kind of a taboo at that time to admit it. Women weren't supposed to enjoy sex that much!

~Annie Sprinkle

Whores have the ability to put up with behaviors other women would never manage to put up with. That's why we deserve to be generously compensated.

~Annie Sprinkle

I had many clients who didn't respect me, probably because of how they were raised. We're all the walking wounded.

~Annie Sprinkle

Whores do sometimes break up with their johns.

~Annie Sprinkle

I had this client I'll call Samuel. Not his real name. I saw him steadily for twenty years, usually twice a month. Over twenty years you really get to know someone.
