Being an entrepreneur means that you are sort of inventing something new. You're giving birth to a company. You're giving birth to a new product, a new service. And that's always exciting.

~Anousheh Ansari

My advice to everyone is find something that you love to do and you are passionate about. Because if you're not passionate about something, it's very difficult to be dedicated to it.

~Anousheh Ansari

I'm an explorer by nature, and being an entrepreneur allows me to explore new opportunities and technologies. And that's the best part of it.

~Anousheh Ansari

Global education is something that is important for me. Because I believe that our future is going to be built by our young generation.

~Anousheh Ansari

I believe space exploration is an absolute necessity for the survival of human race.

~Anousheh Ansari

You have to find things that are accessible and doable in your busy life and try to fit some time in your schedule to just have time to yourself and be able to recoup and refocus.

~Anousheh Ansari

Technology doesn't have to be difficult to use or complicated. I feel technology is something that's there to make your life easier not more difficult.

~Anousheh Ansari

I don't like to just have a repetitive life where I do the same thing over

and over. I love to be able to learn something new, explore something new.

~Anousheh Ansari

Having a really good partner, whether it's a good friend, someone in your family or a spouse, is always the greatest thing to have when you have a new challenge that you're facing.

~Anousheh Ansari

You have to find ways of integrating what you like into your business life. And it's difficult at times, but I think over time with experience, you learn how to do it.

~Anousheh Ansari

Being an entrepreneur does require commitment. It is hard work, but it is also highly rewarding. So when you can look back and see yourself building a successful company.
