Apparently, the world is not a wish granting factory.

~Ansel Elgort

It's so sad, you get less starstruck when you start realizing that it's not a big deal.

~Ansel Elgort

Fault is a beautiful, honorable love story that I hope I'll get to experience in my own lifetime. It makes you grateful for any love you have in your life.

~Ansel Elgort

Most actors nowadays are models turned actors. That's why a lot of young actors are terrible. You have to learn how to act. It is not something that you can just do.

~Ansel Elgort

I think it's important I stay connected to every part of my personality. I play basketball. I rock climb. I paint. I'm a little bit scattered, but it's so I can convincingly play all these characters.

~Ansel Elgort

I don't want to just be an actor my whole life. I mean I do want to be an actor my whole life but not only an actor, I want to be an artist.

~Ansel Elgort

When I was nine, I started doing ballet. That's when I knew that I was down to keep doing it.

~Ansel Elgort

I love Marlon Brando and James Dean. That was when it was all about the star and the script. Nowadays, everything has to be action-packed.

~Ansel Elgort

I've never taken time off from being an actor. This is the kind of career I'd be so happy to do until I die. I always joke to myself that I want to have a postmortem Academy Award Nomination.

~Ansel Elgort

I don't just act, and that's really important to me. I don't want to just be an actor forever. I want to score movies. I could be an actor first, but I don't only want to be an actor.

~Ansel Elgort

I feel, for the first time, ashamed to be an American because we elected [Donald Trump].

~Ansel Elgort

We live in a bubble of progression, and over the last eight years [of Barack Obama], we've been a country of progression.

~Ansel Elgort

I don't believe in spending money lavishly, now that I'm making money.

~Ansel Elgort

I think my voice would be great as a protestor but also it would be, and has been, very powerful for charity.

~Ansel Elgort

I'm a big fan of Shake Shack.

~Ansel Elgort

I'd like to do something for inner-city schools and education for young people because it's constantly being cut.

~Ansel Elgort

Anyone would be able to be played by someone like him [Donald Trump], that's what he did, he played people.

~Ansel Elgort

As America, we aren't the country that we should be with Donald Trump as president.

~Ansel Elgort

Young people are this country [America], and we need to speak out.

~Ansel Elgort

Donald Trump as a figurehead is the opposite of that - he's regression, he's taking a step backward.

~Ansel Elgort

A lot of high school students on TV and in Broadway are played by people in their late 20s and even early 30s. That seems weird to me.

~Ansel Elgort

I'm starting to get a following on Twitter. That's a really awesome power to have. It gives me the opportunity to make any kind of art I want.

~Ansel Elgort

I write music because I love it. Sometimes more than anything in the world.

~Ansel Elgort

I hated the ballet, but I liked performing. I did 20 shows, and I couldn't get the smile off my face.

~Ansel Elgort

If you don't know my name and you don't know what movie I'm from, don't come ask for a picture while I'm trying to eat chipotle

~Ansel Elgort

As an actor, you want a director who makes you feel comfortable in a

place that you can really create and try a lot of different things.

~Ansel Elgort

I'd like to do something that hits close to home.

~Ansel Elgort

My dad would throw me in the picture if they needed an extra. From an early age, I understood the concept that, if you're not the star, then your job is to not pull attention away from the star.

~Ansel Elgort

Why go around dating random girls and having terrible sex when you can be with someone you really like?

~Ansel Elgort

I think what I really want to do [is] do something charitable.

~Ansel Elgort

I've lived in a bubble my whole life. I never thought someone with those kind of views, who came across to me so ignorant every time he speaks, could ever be elected.

~Ansel Elgort

I have a lot of weird interests, but everything I do is artistic.

~Ansel Elgort

Picture-taking is an ensemble art-like theater.

~Ansel Elgort

I always did workshops. I would be at theater camp, doing shows, or after-school programs.

~Ansel Elgort

I think it would be ridiculous to work with Tom Hardy. I hear some crazy

things about him, and he's also really good.
