I remember a moment when the Prince went back to his old school, Grammar School in Melbourne, and slightly to his horror his old music teacher produced a cello.

~Anthony Holden

What was funny if you were there is that we were all immensely sophisticated people who knew exactly what she was going to say and we're chatting away, nice to see you.

~Anthony Holden

I mean Buckingham Palace has never hired a professional public relations outfit let alone a Madison Avenue type and they would throw up their hands in horror at the very idea.

~Anthony Holden

The winner is not the player who wins the most pots. The winner is the player who wins the most money.

~Anthony Holden

Thatcher came under pressure from right wing backbenchers to shut up the Prince of Wales and there was a deal done between them where he did actually shut up in the end.

~Anthony Holden

The good news is that in every deck of fifty-two cards there are 2,598,960 possible hands. The bad news is that you are only going to be dealt one of them.

~Anthony Holden

When the magistrate says 'That's not a good enough reason my man.' He said 'Excuse me, could I ask you? Have you taken an oath of allegiance to the Monarch?'

~Anthony Holden

I think her friends were worried that the bulimia might come back, about some psychological slide, and she was given breathing space to some extent by the media as much as she ever has been.

~Anthony Holden

What it was at the time was literally a plea for, to get the pressure off for a while, to give her space to breathe. She was very unhappy. She was feeling pretty claustrophobic.

~Anthony Holden

If you have an anecdote from one source, you file it away. If you hear it again, it may be true. Then the more times you hear it the less likely it is to be true.

~Anthony Holden

The architect, Peter Arens who is the monstrous carbuncle architect, not merely did his design which had won a public competition never get built but his practice suffered financially for some years.

~Anthony Holden

As somebody who's been writing about this subject for getting on twenty years now, it's astonishing how the climate has changed in the last five years.

~Anthony Holden

I think the relation between the monarchy and the press is very much a two-way street.

~Anthony Holden

It was delightful but, of course, it was pretty insulting to my professional reputation.

~Anthony Holden

While the 1980 book was being serialized in the Sunday Times,

Charles attacked it through the Observer.

~Anthony Holden

I went on a long trip through South America with Prince Charles where I was the only journalist there - a couple of photographers but no other writers.

~Anthony Holden

Not merely can people like me write things that would never have been printed before but I think an enormously dramatic change has taken place in public opinion, possibly for the wrong reasons.
