Whenever opportunity comes Kohli grabs it with both the hands.

~Anushka Sharma

Love me, hate me, I'm here to stay!

~Anushka Sharma

The way you see me is the way I am.

~Anushka Sharma

I'm a boys' girl! I come from an army background and I haven't known what being a 'good Indian girl' means.

~Anushka Sharma

I don't understand love quite honestly. I think compassion is important but love fizzles out eventually. But if there is compassion in a relationship, things can always be worked out.

~Anushka Sharma

Coffee is the ultimate stress buster for me and I need my cup of coffee in the morning to kick start my day.

~Anushka Sharma

I don't work for production houses. I only work for good scripts and roles. If you follow my career graph, you will find that I have not given a single flop yet in my career. I am proud of it.

~Anushka Sharma

I was very young when I was in RNBDJ and that journey had enabled me as an actor. I am not very confident of my growth as an actor but I am very confident of my growth as a person.

~Anushka Sharma

I constantly doubt myself. I only feel confident in front of the camera.

~Anushka Sharma

Acting is one of the two things that give me the most joy. The other thing is travelling. Nothing else matters to me.

~Anushka Sharma

If there is anything serious enough to make a difference in my life, I will talk about it.

~Anushka Sharma

I have never been a girly girl and have always been a boys' girl with an equal amount of friends who were boys and girls.

~Anushka Sharma

I always wanted to be a model, never an actress. I would see children in ads and stuff and wanted to be like them.

~Anushka Sharma

I have stayed in south India all my life. English comes more naturally to me than Hindi.

~Anushka Sharma

I am not a bloody ghoda running a race that you give me a tag. I am competitive, and the reason for that is that I want to do the best films.

~Anushka Sharma

Raju Hirani films are filled with simplicity and goodness. I really love such films.

~Anushka Sharma

I just got exposed to electronica, and I really liked it. I am also good with alternative rock. I like Lana Del Rey, Adele, Dido, Jack Johnson, and I love the Beatles and the Beach Boys.
