

# Arfa Karim

## Quotes

*Microsoft, Thinking, Technology, Mind, Passion, People, Age, Reading, Ifs,  
Want, Use, Firsts, Self, Gardening, Cutting, Remember, Backgrounds, Support,  
Conquer, Challenges*

Never let shyness conquer your mind.

~Arfa Karim

If you want to do something big in your life, you must remember that shyness is only the mind.

~Arfa Karim

Microsoft has changed the way people think about computers.

~Arfa Karim

I keep my self updated by reading different books and encyclopedias.

~Arfa Karim

Technology evangelism has always been my passion since I learned how to use computers.

~Arfa Karim

I belong to a purely agricultural family from a rural background.

~Arfa Karim

I started to explore computers on my own and first used one at the age of 6, when I was in first grade.

~Arfa Karim

If you think confident, you act confident.

~Arfa Karim

Computers, singing, reading, painting and gardening are my hobbies.

~Arfa Karim

If you think shy, you act shy.

~Arfa Karim

I've passion for software, and Microsoft provide me a true platform.

~Arfa Karim

Microsoft develops a lot of software that allows people to realize their potential.

~Arfa Karim

Microsoft has laid down the foundations for next-generation computing and is the founder in terms of providing user-friendly software - thereby increasing the number of novice users.

~Arfa Karim
