The greatest threat to the security of the people of North Korea comes from the government of North Korea.

~Ari Fleischer

There is already a mountain of evidence that Saddam Hussein is gathering weapons for the purpose of using them. And adding additional information is like adding a foot to Mount Everest

~Ari Fleischer

I think you have always heard, and you continue to hear from officials, a measure of high confidence that, indeed, the weapons of mass destruction will be found.

~Ari Fleischer

We have high confidence that they have weapons of mass destruction. That is what this war was about and it is about.

~Ari Fleischer

We know for a fact that there are weapons there.

~Ari Fleischer

I think the burden is on those people who think he didn't have weapons of mass destruction to tell the world where they are.

~Ari Fleischer

It's so much easier to do press if you take positions that the press likes than to take conservative Republican positions.

~Ari Fleischer

The press lost credibility with Republicans and independents during the Obama years, setting itself up for the damage that's going to be done during the Trump years.

~Ari Fleischer

Why then would people look to the United Nations as an instrument of peace, if instead all it is, is an instrument of putting out declarations that nobody intends to take seriously anyway?

~Ari Fleischer

If he declares he has none, then we will know that Saddam Hussein is once again misleading the world.

~Ari Fleischer

Everyone now has a sacred cow in the tax code. For my money, the most sacred thing of all is our country and its growth, but the sacred cows have turned into a pack of wolves.

~Ari Fleischer

A safety net for the poor indeed requires some level of income redistribution.

~Ari Fleischer

I think it's important for the people to see the government is functioning.

~Ari Fleischer

School choice is one of the strongest ways we have to educate our children, .. believes in school choice and he is going to work hard to enact school choice.

~Ari Fleischer

The press is hostile to Donald Trump, they always will be. And Donald Trump is happy to return the favor. And you know what, he actually has the upper hand in that relationship.

~Ari Fleischer

Given the chance to throw off a brutal dictator like Saddam Hussein, people will rejoice.

~Ari Fleischer

There are certain times you rattle the press's cages, and other times you don't, and you have to be discerning about it.

~Ari Fleischer

When President George W. Bush cut taxes, he cut them for everyone.

~Ari Fleischer

The 2000s were marked by terrorism and a bipartisan desire to fight it.

~Ari Fleischer

If you are ever uncomfortable or are unsure of something, you attribute it.

~Ari Fleischer

I don't expect the press to say thank you for the efforts that I make.

~Ari Fleischer

We believe in the fundamental strength of Israel's economy and have confidence in its long-term potential.

~Ari Fleischer

If Mr. Obama wants to get things done, he must recognize that in Washington only the president has the power to make the first big move.

~Ari Fleischer

The president typically never does comment on anything involving the Supreme Court cases, Supreme Court ruling, or Supreme Court finding, typically.

~Ari Fleischer

I get a kick out of Democrats thinking they know how handicap a GOP

race.

~Ari Fleischer

Anytime James Carville, Paul Begala and David Axelrod hold hands and jump for joy, it's worth pondering how to turn their joy into tears.

~Ari Fleischer

Having served as the majority spokesman for the House Ways and Means Committee after Republicans took the House in 1994, I've seen the promise and the peril of divided government before.

~Ari Fleischer

Bush to USSS: 'We need to get back to Wash. We don't need some tin horn terrorist to scare us off.'

~Ari Fleischer

If Democrats were good at thinking like Republicans, they would see the light and stop being Democrats.

~Ari Fleischer

The press secretary who starts to narrow down or close the president's options because he answers delicate negotiating questions no longer serves the president.

~Ari Fleischer

Iraq has tremendous resources that belong to the Iraqi people. And so there are a variety of means that Iraq has to be able to shoulder much of the burden for their own reconstruction.

~Ari Fleischer

The right thing to do is to let the dust settle.

~Ari Fleischer

There is something democratic about grass-roots, widespread money

support. There is something anti-democratic about one person propping up a candidate who can't make it.
