Everyone knows French artist Claude Monet's "Water Lilies," which he painted in his garden. You find the images everywhere from galleries to dorm rooms and dentists' lounges.

~Ari Shapiro

This batch [emails hacked from a top Hillary Clinton aide] shows [Donna] Brazile gave the [Hillary] Clinton campaign advance warning of questions the candidate might be asked at CNN events.

~Ari Shapiro

The Senate gathered to say goodbye to Vice President Joe Biden. Biden has been a presence there for more than 40 years.

~Ari Shapiro

Gravy is persistently plagued by two problems. Problem number one - skin. And problem number two - lumps.

~Ari Shapiro

We've got a lot of the meal left to go. Should we move on from the turkey?

~Ari Shapiro

Hillary Clinton has secured her place in history. She is the first woman to lead a major party's quest for the presidency.

~Ari Shapiro

Low oil prices played a part in a major move by Congress voting to end the 40-year-old ban on exporting American crude oil.

~Ari Shapiro

Hillary Clinton is under fire from Latinos, specifically online. This comes from a recent blog post by Clinton's campaign that was meant to reach out to Latinos. Instead, it offended many people.

~Ari Shapiro

Yet civil rights issues are very much on the front burner in South Carolina between the Black Lives Matter movement and police shootings.
