A soulmate is someone you can completely be yourself with. Someone with whom you share unconditional love and when you look into each other's eyes, you know that you are home.

~Arielle Ford

Seeking perfection just ends up creating ridiculous amounts of stress and disappointment.

~Arielle Ford

Just as a seed grows with the warmth of the sun, so our positive qualities grow when we put our attention on them.

~Arielle Ford

I believe the word "perfection" should be changed to "pure fiction" - it's just not possible!

~Arielle Ford

When deep down in the core of your being you believe that your soulmate exists, there is no limit to the ways he or she can enter your life.

~Arielle Ford

Meeting your soulmate has a certain amount of meant-to-be-ness to it, AND it requires a big dose of make-it-happen-ness.

~Arielle Ford

If you had a large vase with a big crack down the middle of it, a Japanese art museum would put the vase on a pedestal and shine a spotlight on the crack!

~Arielle Ford

Imagine how great you will feel when you know your partner loves all of you, all the time. The good, the bad, and everything in between!

~Arielle Ford

I was a first time bride at 44. I had never even lived with anybody. And after running my own business for many years, I knew how to be the boss - but I had no idea how to be a good partner.
