To sustain longevity, you have to evolve.

~Aries Spears

I never wanted to limit myself to just impressions. I wanted to branch out and develop other parts of my game.

~Aries Spears

How do you ask a woman to gargle your nuts?

~Aries Spears

Because it's uncensored cable, I think we'll be able to do the kind of sketch comedy that really hasn't been seen before. We can actually finish jokes.

~Aries Spears

My momma used to kick in the door like SWAT!

~Aries Spears

The average comedian is kind of an observer looking at everyday things that everyone could relate to and then trying to find the exaggeration in those things.

~Aries Spears

There's got to be structure and great comedy. When you start with that, everything else falls into place.

~Aries Spears

The best part about being a stand-up is the connection with the audience. There's nothing more gratifying then when you can make 300 people applaud and stand up - because that's all you.

~Aries Spears

Ladies Commit, There's A Wedding In It For You.

~Aries Spears

Eddie Murphy was the Michael Jordan of comedy. He had a full range of abilities.

~Aries Spears

I'm from the streets of New York. I know what tough talk sounds like.

~Aries Spears

I think Chappelle set the bar when he came out with his show. To be as great as him or greater you have to push it a little further - as long as there's substance in terms of the material.

~Aries Spears

That's where the money is, on the road.
