My very first kiss happened when I was 6, underneath some desks during 'nap time', but my first real kiss happened when I was 15 in the parking lot at a Mexican food restaurant.

~Armie Hammer

You have to emote much more to get what you're trying to get across to come through a quarter inch of latex that's superglued to your face.

~Armie Hammer

I don't think I should tell you what to do, nor should the government. As long as you enjoy your own personal liberties and don't infringe on the liberties of others, I don't care.

~Armie Hammer

As a fluke, my great-grandfather hit one of the largest oil reserves in California.

~Armie Hammer

I feel fortunate. I've really gotten to work with amazing talented people, and to learn from them, which is why I'm doing this. If I can work with the best director I'm going to do it.

~Armie Hammer

I was always Armie. There couldn't be a 90-year-old Armand and a 9-day-old one. And I heard enough jokes about baking soda.

~Armie Hammer

It's something that I think I'm going to have to fight against for most of my career, for people to take me seriously as an actor as opposed to a good-looking guy. It's not what I want to be known as.

~Armie Hammer

I think a primal role of a man in a relationship is to protect his woman.

~Armie Hammer

I have to wear six pairs of speedos when I run.

~Armie Hammer

I'm half Jewish, but no one believes me because my looks lean a little WASP-y... It's sometimes hard for me to get the roles I'm drawn to.

~Armie Hammer

There were two auditions for *The Social Network*, one with Aaron Sorkin and one with David Fincher. I was a nervous wreck. I was like, Okay, how do I hold the paper without my hands making it shake?

~Armie Hammer

I never grew up reading or fantasizing about fairy tales. I was always too busy, like, outside being a kid.

~Armie Hammer

I like reading. I just hate school.

~Armie Hammer

My wife comes from a foodie family so I've been indoctrinated into that. I had sweetbreads the other night, and I have to say, not my favorite thing in the world You're eating a gland.

~Armie Hammer

I mean I would still love to be in Mel Brooks' movies; he's great.

~Armie Hammer

~Armie Hammer

My great-great-grandfather Julius founded the Communist Party in New

York.

~Armie Hammer

My entire life had been this long, pressured conversation about the family I represented. 'When you walk out the door, you represent us. You have to dress well and make sure your hair is combed.

~Armie Hammer

Not sure of my place in the world (still up for debate) and not sure what I wanted to do with my life (not really up for debate).

~Armie Hammer

I love art. I used to have a painting of Mikhail Gorbachev that was given to my family by Gorbachev.

~Armie Hammer

I support myself. My wife and I together - it's all our household. I'm really proud of that.

~Armie Hammer

I couldn't be more blessed.
