I should just stay composed and run to the finish line.

~Asafa Powell

I am trying to attend every training session and do all of my workouts.

~Asafa Powell

I think about cars to try and distract myself. It's a good way to relax, take your mind off everything.

~Asafa Powell

I am still the fastest man on earth.

~Asafa Powell

Many track and field people know that if I stay relaxed and run my race like I'm supposed to, I will be the winner at the Olympic Games.

~Asafa Powell

Sometimes I'm at home and I remember I'm supposed to do 100 push-ups and I don't.

~Asafa Powell

I said to myself, if I was in the race, I know I would have won.

~Asafa Powell

I want to be the king of sprints because I think I am.

~Asafa Powell

I can run sub-10 any time but I'm just not ready.

~Asafa Powell

I am a bit different from the other sprinters because, I would say, I can run many different ways while the other guys they just came on and they can only run one way.

~Asafa Powell

Athletes try to get other athletes out and they should have no false starts.

~Asafa Powell

Everyone is looking for me to bring a gold back home, and a lot of people in other places are expecting me to win.

~Asafa Powell

I know, I'm like a kid. Maybe I was a bit too spoilt growing up. Everything just came like I wanted it to.

~Asafa Powell

I just want to give my best in London, I want to cross that line and see a personal best on the clock then I will see what position I am in.

~Asafa Powell

Over the years I have been kind of lazy, thinking my talent alone can do it.

~Asafa Powell

From Day 1 I wasnt planning to run until I am very old.
