I know my curves are sexy and I want everyone else to know that theirs are too. There is no reason to hide and every reason to flaunt.

~Ashley Graham

I felt free, once I realized i was never going to fit the narrow mold that society wanted me to fit in.

~Ashley Graham

There is not one standard definition of beauty or one perfect size.

~Ashley Graham

There is no reason to hide and every reason to flaunt.

~Ashley Graham

I am always being asked to gain or lose weight, but I am at a point now where I don't care anymore. I love my body, I love my super-hourglass shape and I love showing it off.

~Ashley Graham

I don't want women to hold themselves back. I think there are too many women who are self-conscious about the way they look - the way they see themselves in the mirror.

~Ashley Graham

Don't let your image, don't let your size, hold you back. If I had let my hips or my jiggly thighs hold me back or the fact that I've got these big heavy breasts, then I would not be where I am today.

~Ashley Graham

Love yourself. Be proud of who you are.

~Ashley Graham

For me, wearing lingerie isn't about anyone else but me. If I dressed for others I would be a miserable person.

~Ashley Graham

We are lucky to live in a world made up of so many different kinds of people and I am confident in the direction we are going.

~Ashley Graham

I always say wear what makes you feel most confident, and confidence doesn't always come over night.

~Ashley Graham

Growing up I didn't have curvy role models, mainly because I didn't see enough curvy women represented in major ads.

~Ashley Graham

Who doesn't want to be comfortable all day long?

~Ashley Graham

I feel like we have to have [plus size models] as soon as possible. We're the norm. We're the majority.

~Ashley Graham

As a model, I'm used to having my body scrutinized, and I have a tough skin so I can shake it off. I know I'm the only person that gets to decide how my body should look.

~Ashley Graham

The sense of pride I take away from doing something I know will be inspire women to feel confident about their bodies.

~Ashley Graham

I really hope that the fashion community will not accept anything that does not represent everyone.

~Ashley Graham

I think the simpler the better.

~Ashley Graham

I'm going to be pulling my pants up all day, and I'm just going to have a terrible day. Because if your clothes don't fit, just like bras or anything, it's not a good day.

~Ashley Graham

Some people might only recognize me half naked in my bikini and bra!

~Ashley Graham

Since I first started playing basketball, I have just loved it, and nothing has ever made me lose that love.

~Ashley Graham

It's just amazing to be a part of something that you so strongly agree with.

~Ashley Graham

Some styles don't look good on bigger women.

~Ashley Graham

If a plus-size woman is not represented in fashion or on TV, what the hell are we doing?

~Ashley Graham

Everyone wants to be an "expert" on social media and share their opinion behind the keyboard.

~Ashley Graham

I actually love modeling clothing and showing women that clothing and style can help your confidence shine.

~Ashley Graham

My fans are incredible. Don't you dare talk bad about me on my Instagram, because my fans will come out and they will eat you alive.

~Ashley Graham

College basketball was one of the hardest, most rewarding experiences of my life. Every single day on the court was a mental and physical challenge.

~Ashley Graham

Basketball, and the people I have met through the game have far and away had the largest impact on my life. Almost every positive role model I have ever had was a coach, mentor, or teammate.

~Ashley Graham

Basketball really is a metaphor for life - the intangible skills I have learned on the court, have helped shape the person I am today.

~Ashley Graham

Basketball has taught me that no matter how unlikely something is, if you set a goal, and follow after that goal with all your heart, anything is possible.

~Ashley Graham

We're seeing more inclusivity in fashion when it comes to size, and we have to continue featuring more and more diversity.

~Ashley Graham

I was the first size 14 model to be featured in an ad in the magazine, I was the first size 14 model on the cover!
