She's always there for me when I need her; She's my best friend; she's just my everything.

~Ashley Olsen

I check Style.com to look at the collections and love to poke around some of the other fashion blogs to see what's going on.

~Ashley Olsen

Stay true to what makes you happy, because that always ends up producing the best result.

~Ashley Olsen

We've stayed really normal and down to Earth I think, and haven't let the success thing go to our head.

~Ashley Olsen

I don't think you necessarily need to show off your stomach and boobs to be sexy. I'm just not attracted to that type of dressing.

~Ashley Olsen

I don't think of myself as hot or cool or anything, just a dork.

~Ashley Olsen

Fame is an illusion. Things can be given to you quite easily, but they get ripped away so quickly as well.

~Ashley Olsen

I'm the type of person who would rather stay home than get my picture taken.

~Ashley Olsen

Some twins feel like they need to compare themselves to each other, but we're not that way. That's because of my parents, though, and having six kids in the family.

~Ashley Olsen

I'm the most private person.

~Ashley Olsen

It was almost like I was in the army.

~Ashley Olsen

Never say never - in fashion and life

~Ashley Olsen

The Aly loafer is our modern take on the penny loafer with a subtle slit across the top. I wear loafers with everything these days- skinny jeans, long skirts and dresses.

~Ashley Olsen

I am very down to earth and practical.

~Ashley Olsen

The clothes are so cute. On little kids .. it's so cute with accessories and little details.

~Ashley Olsen

There's so many things that we could do.

~Ashley Olsen

We don't really have favorite positions. Its mostly just playing the game that we love.
