Poverty is multidimensional. It extends beyond money incomes to education, health care, political participation and advancement of one's own culture and social organisation.

~Atal Bihari Vajpayee

Our nuclear weapons are meant purely as a deterrent against nuclear adventure by an adversary.

~Atal Bihari Vajpayee

Freedom is incomplete without social justice.

~Atal Bihari Vajpayee

You can change friends but not neighbours.

~Atal Bihari Vajpayee

If you do not like anything in a particular book, then sit and discuss it. Banning a book is not a solution. We have to tackle it ideologically.

~Atal Bihari Vajpayee

India has no dearth of brave young men and women and if they get the opportunity and help then we can compete with other nations in space exploration and one of them will fulfil her dreams.

~Atal Bihari Vajpayee

Global interdependence today means that economic disasters in developing countries could create a backlash on developed countries.

~Atal Bihari Vajpayee

Let us together commence a journey of peace, harmony and progress in South Asia.

~Atal Bihari Vajpayee

I have a vision of India-an India free of hunger and fear, an India free of illiteracy and want.

~Atal Bihari Vajpayee

Did Indira Gandhi ask for somebody's permission to carry out the test in 1974?

~Atal Bihari Vajpayee

We do not believe that a nuclear war should be fought, and we do not believe that a nuclear war can be won.

~Atal Bihari Vajpayee

No state should be allowed to profess partnership with the global coalition against terror, while continuing to aid, abet and sponsor terrorism.

~Atal Bihari Vajpayee

In the euphoria after the Cold War, there was a misplaced notion that the UN could solve every problem anywhere.

~Atal Bihari Vajpayee

People who ask us when we will hold talks with Pakistan are perhaps not aware that over the last 55 years, every initiative for a dialogue with Pakistan has invariably come from India.

~Atal Bihari Vajpayee

The overwhelming public sentiment in India was that no meaningful dialogue can be held with Pakistan until it abandons the use of terrorism as an instrument of its foreign policy.

~Atal Bihari Vajpayee

We hope the world will act in the spirit of enlightened self-interest.

~Atal Bihari Vajpayee

The reality is that international institutions like the UN can only be as effective as its members allow it to be.

~Atal Bihari Vajpayee

The UN's unique legitimacy flows from a universal perception that it pursues a larger purpose than the interests of one country or a small group of countries.

~Atal Bihari Vajpayee

There was an implicit conviction that the UN would be stronger than the sum of its constituent member-states.

~Atal Bihari Vajpayee

Declaring victory without war .. the belief that India gave up the option of war under American pressure is totally wrong.

~Atal Bihari Vajpayee

The Bio-diversity Convention has not yielded any tangible benefits to the world's poor.
