

# Augusto Pinochet

## Quotes

*Dictator, Political, People, Country, Exile, World, Leafs, President, Real, Blood, Moral, Library, Sometimes, Giving, Doe, Military, Becoming, Reflection, Groups, Rome*

Everything I did, all my actions, all of the problems I had I dedicate to God and to Chile, because I kept Chile from becoming Communist.

~Augusto Pinochet

Don't forget that in the history of the world, there was a plebiscite, in which Christ and Barabbas were being judged, and the people chose Barabbas.

~Augusto Pinochet

Sometimes democracy must be bathed in blood.

~Augusto Pinochet

The rich people are those who create wealth, and you have to treat them well so they continue to give wealth.

~Augusto Pinochet

Rome cut off the heads of Christians and they continued to reappear one way or another. Something similar happens with Marxists.

~Augusto Pinochet

The only solution to the issue of human rights is oblivion.

~Augusto Pinochet

I'm not someone who usually sends out threats. I warn only once. The day they touch one of my men, the rule of law is over.

~Augusto Pinochet

The nation is trying to make Chile a country of proprietors, not of proletarians.

~Augusto Pinochet

I'm looking at them from above, because God put me there.

~Augusto Pinochet

I will die. The person who succeeds me will also have to die. But elections, you won't have.

~Augusto Pinochet

We have no political prisons. We have political internal exiles.

~Augusto Pinochet

Not a single leaf moves in this country if I'm not the one moving it.

~Augusto Pinochet

My library is filled with UN condemnations.

~Augusto Pinochet

Had I been a dictator, I would still be governing.

~Augusto Pinochet

My moral and spiritual formation does not allow me to be a dictator... If I were a dictator, You can be sure that many things have happened.

~Augusto Pinochet

I was only an aspiring dictator. I was never a real dictator.

~Augusto Pinochet

My face is sour. Maybe that's why they say I'm a dictator.

~Augusto Pinochet

I devalued the peso solely looking after the poor.

~Augusto Pinochet

Executive power is exercised by the President of the Governing Board who, with the title of President of the Republic of Chile, administers the state and is the Supreme Chief of the Nation.

~Augusto Pinochet
