Life's a game made for everyone, and love is the prize.

~Avicii

I can't tell where the journey will end But I know where to start

~Avicii

It's hard - some people get inspired by a feeling, but I'm mostly inspired by melodies.

~Avicii

Life's a game made for everyone and love is the prize. So wake me up when it's all over - when I'm wiser and I'm older. All this time I was finding myself and I didn't know I was lost.

~Avicii

I tried carrying the weight of the world. But I only have two hands.

~Avicii

I would never lay down a pre-programmed set and perform to a pre-mixed CD; I would never cheat my fans like that.

~Avicii

There's always haters, no matter what you're doing - whether they're complaining that everything you do sounds the same, or it's too different.

~Avicii

I think I am a pretty good judge of character in general and try to surround myself with the best people I can.

~Avicii

I'm a DJ. I get the party started.

~Avicii

I make sure to use both Twitter and Facebook a lot which helps me connect to the fans.

~Avicii

Dance music is like a virus, it has affected so many different genres.

~Avicii

I've always worn a lot of Ralph Lauren, and plaid shirts in general have been a signature piece for me. With plaid, you can look super-relaxed or you can look a bit dressed up.

~Avicii

I travel with a bunch of battery packs because I don't always have time to charge my phone at the hotel room when I'm traveling. I always change them, so I never run out of battery.

~Avicii

People in Sweden are very conscious of what people are saying about you.

~Avicii

I have a hard time writing music when I'm on tour.

~Avicii

When I started out, I was Avici with one i. But on MySpace, that name was taken.

~Avicii

I have always been mainstream. It's so weird, because I don't see it as something negative at all. So many people see it as something negative.

~Avicii

I love DJing, I do. I love everything that comes with it; it's fun and it's

kind of glamorous.

~Avicii

I've always been a producer - that's how I see myself first. The DJing came second as a way for me to be able to perform.

~Avicii

I've always had a fascination with making your own music but never have been skilled enough to play the instrument, so to be able to make music without the ability was awesome.

~Avicii

I actually only started listening to house music around the time I started making it. I got hooked both to making music and to house music.

~Avicii

My dad has always been a big Ray Charles fan, and I've grown up listening to all kinds of music.

~Avicii

When I started working on electronic music, that was after the rave period. I haven't even seen that part of it that much.

~Avicii

House music originated in America, and it has always been around, but I guess it just got a tighter hold on Europe and other parts of the world.

~Avicii

To me, I'm always trying to look for the energy, to imagine in being played on the dance floor. I guess that's the most important thing in making music for me.

~Avicii

I grew up listening to a lot of Ray Charles and '60s rock, thanks to my

father, and then my brothers got me in to KISS and whatnot, so I guess that's where I got my first taste for music.
