I expect from our judges that their verdicts are also inspired by Talmudic law - and not only by common law or European justice systems.

~Ayelet Shaked

As the head of a religious party, I am not in favor of civil marriage or the full recognition of non-Orthodox converts in Israel.

~Ayelet Shaked

I do not take things to the heart. I calculate and I do what needs to be done. If I were to start acting emotionally, it would destroy my work.

~Ayelet Shaked

The economy in Gaza is declining because Gaza is controlled by a terror regime.

~Ayelet Shaked

It's one of the most important things in life to provide someone with a job.
