With a sketch show, it's "a bunch of people and they're being funny." In a way that you can't really explain it.

~B. J. Porter

Comedy Central was really impressed by how quickly we got everyone to sign the releases for the CD. They've never seen anything that quick.

~B. J. Porter

So the CD is a great way to get yourself acquainted with some people who in three years, maybe even one year, be really big.

~B. J. Porter

Anyone can have bad sets. I saw one guy who I really love - I won't mention his name - gave a set that was really bad. And then one month later did the exact same set on our show and it was great.

~B. J. Porter

: But the people on the CD are famous. Those people were coming out to see those people. I don't think they need that kind of intimacy with those people.

~B. J. Porter
