It takes a variety of strategies and initiatives to address this pandemic. It's about life and death and the survival of humanity.

~Barbara Lee

My goal is to help elect not only the first but second woman president. That will be real progress. I believe our next presidential election will see women at the top of the ticket for both parties.

~Barbara Lee

Let us not become the evil that we deplore.

~Barbara Lee

In fact, not only do I support eliminating soft money, but I support full public financing for campaigns.

~Barbara Lee

As the daughter of a 25-year veteran of the armed forces, I am incredibly thankful for the sacrifices our women and men have made in Iraq, and continue to make in Afghanistan.

~Barbara Lee

I am also deeply concerned with the widespread, often undiagnosed, incidents of PTSD and the alarming suicide rates amongst our returning soldiers.

~Barbara Lee

I am convinced that military action will not prevent further acts of international terrorism against the United States.

~Barbara Lee

I agree with Pres. Barack Obama, Iraqis need a political solution. No war in Iraq!
