Synergy does not mean giving up what we want. It means joining to co-create so each is able to receive ever more of what attracts us through joining rather than opposing.

~Barbara Marx Hubbard

One-fourth of humanity must be eliminated from the social body. We are in charge of God's selection process for planet Earth. He selects, we destroy. We are the riders of the pale horse, Death.

~Barbara Marx Hubbard

We are moving from unconscious evolution through natural selection to conscious evolution by choice.

~Barbara Marx Hubbard

Whatever we are going through is part of the planetary struggle to evolve.

~Barbara Marx Hubbard

When we experience our own desire for transformation, we are feeling the universe evolving through us.

~Barbara Marx Hubbard

Small islands of coherence in a sea of chaos can shift the whole system to a higher order.

~Barbara Marx Hubbard

Ask to know what you are born to do. Follow the compass of joy.

~Barbara Marx Hubbard

When you get a new worldview you get a new world. It's like the shift from medieval Christianity to the Renaissance and enlightenment.

~Barbara Marx Hubbard

Everything you do counts forever. You are an expression of the whole

process of creation; you are a cocreator.

~Barbara Marx Hubbard

I actually think every person can make a difference. Every single human being has within the impulse to express more of who they truly are.

~Barbara Marx Hubbard

The great human problem of evil stems from the illusion of separateness. Whenever this illusion is overcome, we behave lovingly to one another.

~Barbara Marx Hubbard

Mother Earth is giving birth to a co-creative humanity. There's not a majority anywhere, but it's cropping up everywhere, because old leadership does not have the authority to guide us.

~Barbara Marx Hubbard

Crisis precedes transformation.

~Barbara Marx Hubbard

All people are born creative. And there's nobody who's helpless, nobody.

~Barbara Marx Hubbard

Catastrophe and creation are twins.

~Barbara Marx Hubbard

It doesn't matter where anybody lives, we're all here.

~Barbara Marx Hubbard

Apocalypse can mean the unveiling of the deeper self of humanity.

~Barbara Marx Hubbard

Synergistic convergence is the most important idea we have at our disposal to prevent collapse scenarios and move forward in a nonlinear manner toward an evolutionary society.

~Barbara Marx Hubbard

We can enhance democracy by making it in line with its original vision. Read the dollar bill - E pluribus unum, out of many, one; novus ordo seclorum, a new order of the ages. That's democracy.

~Barbara Marx Hubbard

Crises precede transformation.

~Barbara Marx Hubbard

The social potential movement is on the threshold of a mass awakening, seeking to carry into society what individuals have learned spiritually and personally.

~Barbara Marx Hubbard

There will be a change in worldview from materialism and failure to conscious evolution. And everyone's potential to participate!

~Barbara Marx Hubbard

The destructive one-fourth must be eliminated from the social body.

~Barbara Marx Hubbard

I came to a clear internal realization that there was nothing I could do as a separated self that would ever fulfill me.

~Barbara Marx Hubbard

We, the elders, have been patiently waiting until the last moment before quantum transformation. The destructive one-fourth must be eliminated from the social body.

~Barbara Marx Hubbard

Transformationally motivated people are the growing edge of a great continuity of souls reaching back to the very earliest times.

~Barbara Marx Hubbard

In human history there has been a continuous and growing impulse toward the regeneration and transformation of humanity.

~Barbara Marx Hubbard

I see the meaning of apocalypse as an unveiling of our deeper self.

~Barbara Marx Hubbard

Problems are evolutionary drivers.

~Barbara Marx Hubbard

Success means participating fully in the conscious evolution of humanity, contributing to the shift in time to avoid the chaos and disasters foreseen.

~Barbara Marx Hubbard

My mission is to tell the story of the birth of ourselves as a universal humanity, awakening all of us to our unique opportunity to participate through our own conscious evolution.

~Barbara Marx Hubbard

Evolutionary circles are one of the key social forms in which people are connecting and can connect to make a difference throughout the world.

~Barbara Marx Hubbard

As a feminine cocreator, having lived through the arc of evolution from 1929 to the present, I offer encouragement and vocational arousal to all!

~Barbara Marx Hubbard

Music stimulates within us direct experience of expanded reality

~Barbara Marx Hubbard

Cultural creatives take a stand for a more spiritualized, personalized, and integrated culture.

~Barbara Marx Hubbard

The Book of Revelation is a description of one path to the New Jerusalem, but this scenario is not inevitable.

~Barbara Marx Hubbard

Behold, I am writing anew, through scribes on Earth who are willing to listen to me again with new ears, in the light of the present crises on planet Earth.

~Barbara Marx Hubbard

I think it's innate in human nature to want to make a difference, to make your life meaningful.

~Barbara Marx Hubbard

I see more people all the time feeling something growing from within them to more fully realize their heart's desire, their desire to give more, to be more, to do more.
