Shrimp are the insects of the ocean. They're bottom feeders. So they're delicious, but they're the bugs of the sea.

~Baron Vaughn

If you're driving down the street, you keep the neck forward. So that way you can clear out the lanes.

~Baron Vaughn

One time I was really close to Steve Martin. I was too afraid to actually go talk to him, but I'll count that as meeting.

~Baron Vaughn

The Middle East is gorgeous, but again, politically, I would not want to go there.

~Baron Vaughn

The alphabet was invented in Iraq, so it's a cool place.

~Baron Vaughn

I was processing a lot of different things and kind of looking over a lot of things and rethinking my childhood.

~Baron Vaughn

I think Batman Returns is right for riffs. I love it but it's the ultimate Tim Burton movie. There is so much that happens that's crazy and there are a ton of things to riff.

~Baron Vaughn

I just got diagnosed with tendonitis which is such an insulting diagnosis. Just point to my shoulder and say "old."

~Baron Vaughn

Netflix is very protective with their information .

Being around Lily Tomlin has been great, how she treats people, how she handles herself, how she goes about interpreting her character or deciding how the comedy should work.

~Baron Vaughn

Lily Tomlin...I used to watch reruns of Laugh-In and she was always my favorite part. She's this very unique talent and the way she does things has been a very big influence on me.

~Baron Vaughn

I'm working with a lot of legends who are brilliant who are people I've looked up to from a very young age.

~Baron Vaughn

The thing is that where I want to go isn't necessarily tied to what's going on there politically, but I think Vietnam is a really beautiful country. I think Thailand is also really beautiful.

~Baron Vaughn

When you're a young comedian the first thing you want to do is get a laugh.

~Baron Vaughn

As you go on you realize "Okay I know how to get laughs but am I saying things I want to say? Am I writing jokes that I like?" You get to a point that is that so you move on.

~Baron Vaughn

The audience is your first collaborator with the material. If that makes sense.

~Baron Vaughn

The audience is not your boss. They are your collaborators and when you collaborate with someone you don't have to listen to everything

they think or say.

~Baron Vaughn

Sometimes you're not getting the laughs you want or at the place you want but that doesn't mean it's not funny. It means you haven't explored it enough.

~Baron Vaughn

I'll get laughs in the places I don't want them and that makes me realize the direction I want to go in. I don't mean to get too deep into comedy here.

~Baron Vaughn

First of all I love Empire Records and That Thing You Do and all the movies he did from that era. He hates when I bring that up.

~Baron Vaughn

I can't do Christopher Walken impressions anymore, thanks [Barack] Obama.

~Baron Vaughn

I read recently that I was born in Arizona. I wasn't born in Arizona. I was born in New Mexico, but I can understand why people might confuse those two Southwestern desert states.
