I am very familiar with Hungary, because I grew up in Romania, which borders it.

~Bela Karolyi

Success depends on how much you are willing to sacrifice, how much you are willing to alter your everyday life for a particular goal.

~Bela Karolyi

You have to have competent people evaluating the athlete, not the housewives!

~Bela Karolyi

When I open many books, or most leading women's magazines, or see almost all TV shows, I don't find myself at all. I am completely anonymous. My value system is not there.

~Bela Karolyi

The crowd sometimes plays a tremendous role to give you wings and carry you to victory.

~Bela Karolyi

My attitude is never to be satisfied, never enough, never.

~Bela Karolyi

This team just wasn't good enough today, but they had the unity I always wanted. To have an American team like this has always been a dream of mine.

~Bela Karolyi

I know gymnastics. It's always been a subjective appreciation.

~Bela Karolyi

The Olympics shows the community what gymnastics is all about.

~Bela Karolyi

No competition, no progress.

~Bela Karolyi

I still love to find and develop the young athletes in traditional ways. I like to watch the physical and mental growth. That has always been very exciting.

~Bela Karolyi

The rest of the world laughed at American gymnastics before I came.

~Bela Karolyi

I consider myself very lucky that I could live my life through all the ups and downs.
