Conservative, Years, Ambition*

Donald Trump came along and spoke in a language that speaks directly to a portion of the Republican base with what they want to hear. I don't think that he actually has a very significant ideology.

~Ben Domenech

What we're witnessing really is a political realignment, I mean I think we're moving from a traditional understanding of left-right politics that we've had for a long time.

~Ben Domenech

I think it's a message of economic nationalism. It's obviously one that has bubbled up before in certain pockets, but it's never been the sort of powerful phenomenon that it is today.

~Ben Domenech
