Crewing and being on film sets is kind of like being in the carnival, with carnie folks.

~Ben Mendelsohn

There are two things: 1) what things one does in the world, and 2) what family one has. There's the two really tangible things that can stay.

~Ben Mendelsohn

Acting is a bit of a heart and soul exercise with me. It's kind of all I've got.

~Ben Mendelsohn

As an outsider in America, you do see the kind of hypocrisy that's rampant there.

~Ben Mendelsohn

The people I've encountered who are really dangerous in my life don't go around with their fangs drawn - they are dangerous because of the way they interpret what's going on.

~Ben Mendelsohn

Life is a lot sweeter, I think, than you can be aware of it at times.

~Ben Mendelsohn

People don't know who I am, and that's not a bad thing at all from my end.

~Ben Mendelsohn

If you ride like lightning, you're gonna crash like thunder.

~Ben Mendelsohn

I think that story wins out over acting and that the thing as a whole is more important than the performances therein.

~Ben Mendelsohn

From my point of view, things don't have to change to get better. Things are fantastic.

~Ben Mendelsohn

I'm very interested in the history of Christianity, and what I can say for sure is that the Catholics and the Jesuits and stuff were very big on teaching and on learning.

~Ben Mendelsohn

You can certainly extend your adolescence. There's people that are very good at extending it indefinitely.

~Ben Mendelsohn

There's very little different between the way the government operates in America and the way criminals do.

~Ben Mendelsohn

I think now there's much more of a confessional culture. That's not my bag. I come from a slightly older school of thought: 'give 'em nothin.' You don't plead guilty.

~Ben Mendelsohn

I mean, there's a sense wherein you skip a part of childhood, too, when you start working at that age I did; I was out working and out of home at 15, paying my own way in the world.

~Ben Mendelsohn

I've spent various periods of my career being thought of as various things, various degrees of substance and ideas.
