Eight hours of sleep would be amazing. That would be the best. If I could just figure out that part of my life, it would be great.

~Ben Schwartz

When you're acting on TV, you want to keep it real.

~Ben Schwartz

The anxiety of not knowing what my next gig is keeps me hungry.

~Ben Schwartz

I was very, very into animation when I was growing up. The Simpsons is still my favorite show. I have a really strong connection to it.

~Ben Schwartz

When I got a tiny bit of success, I was petrified that I was going to lose it. I still feel it.

~Ben Schwartz

I love doing comedy. One of my favorite things in the world is to do Parks and Recreation; a big fun character.

~Ben Schwartz

The perfect thing for me is to be on something I love, where I'm doing it and have enough money not to be poor, and I'm allowed to go on vacation.

~Ben Schwartz

If you really want to be successful in the business, you have to make that your priority, above family and everything else. It takes up every minute of your life.

~Ben Schwartz

It's so fun to play a character that has so many layers that people won't even know, until the next season.

~Ben Schwartz

I love the idea of doing totally different types of guys for different projects. I love that I get to do this. It's so fun.

~Ben Schwartz

I've never done a show for more than one season, in my entire life.

~Ben Schwartz

At the very beginning, I was a page at Letterman, and I freelanced for any place that would let me write any word. I wanted to do this so badly.

~Ben Schwartz

I never went to acting school, so improv was my training. Just being quick on your feet helps in everyday life.
