When the money goes bad, everything else goes bad.

~Bernard von NotHaus

The physical manifestation of gold is nothing more than the physical manifestation of value itself.

~Bernard von NotHaus

The reason we need to have a gold and silver based currency is to bring discipline to the financial system so the government can't go out and do all sorts of bad things.

~Bernard von NotHaus

Without your right to have money that holds it's value, all else just fails because you don't have any real money.

~Bernard von NotHaus

Appeal can't happen until I've been sentenced.

~Bernard von NotHaus

Most people are cowards.

~Bernard von NotHaus

Every statute for terrorism requires violence.

~Bernard von NotHaus

I'm not the government. Nor would I EVER want to be the government - I don't know how you feel about government, but I'm not really happy about them.

~Bernard von NotHaus

The thing that distinguishes America is that it is a republican form of government - anything that is not outlawed or specifically barred or regulated by the [Constitution] is LEGAL.
