Central planning doesn't work. A little bit of it is a drag. A lot is fatal.

~Bill Bonner

Harness the Power of Accelerated Failure - the faster you fail, the faster you succeed.

~Bill Bonner

The entire world economy rests on the consumer; if he ever stops spending money he doesn't have on things he doesn't need -- we're done for.

~Bill Bonner

You don't get what you want from investing, you get what you deserve.

~Bill Bonner

That is the problem with age and wisdomâ€”it merely shows you how helpless you are. The wiser you become, the more you learn to keep your mouth shut, until eventually the grave silences you forever.

~Bill Bonner

If you look carefully, almost all Old Money secrets can be traced to a single source: a longer-term outlook.

~Bill Bonner

A man's wealth can...also be measured by what he doesn't have and doesn't want. When he wants little, he is a rich man.

~Bill Bonner

If there is one thing that marks families with money in the long term it is this: delayed gratification.

~Bill Bonner

People do not get what they want or what they expect from the markets; they get what they deserve.

~Bill Bonner

You can forget about recovery. There is no recovery - and there's not going to be any recovery. Recovery is an impossibility.

~Bill Bonner

The economic freedom that made the U.S. economy the leader of the world has given way to a rigged, controlled, and regulated economy.

~Bill Bonner

The US is headed for ruin and revolution. The revolution will almost certainly be put down, violently. But the ruin cannot be stopped.

~Bill Bonner

Anyone who wants to vote probably shouldn't be allowed to vote. Voting is the first step towards zombification - trying to get something without actually working for it.

~Bill Bonner

Both the liberal and the conservative are in agreement: it is all very well to let the people alone, but only if they do what you want them to do.

~Bill Bonner

No man bears more responsibility for the present worldwide financial crisis and coming depression than Alan Greenspan.

~Bill Bonner

None of the problems that caused the crises in Europe and America have been resolved. They have been delayed and expanded by more debt and more money printing and will lead to more and worse crises.
