

Bill Ford Quotes

*Thinking, Believe, People, Inspiring, Doe, Long, Technology, Strong, Hype,
Finish Line, Progress, Groups, Danger, Environmental, My Own, Iphone,
Healthy, Water, World, Years*

It's amazing how much data is out there. The question is how do we put it in a form that's usable?

~Bill Ford

Creating a strong business and building a better world are not conflicting goals - they are both essential ingredients for long-term success

~Bill Ford

A good company delivers excellent products and services, and a great company does all that and strives to make the world a better place.

~Bill Ford

Social obligation is much bigger than supporting worthy causes. It includes anything that impacts people and the quality of their lives .

~Bill Ford

I don't care where you are in the world, people are aware of what technology is available to others. If you're in Nairobi, you're certainly aware of the iPhone.

~Bill Ford

I believe very strongly that corporations could and should be a major force for resolving social and environmental concerns in the twenty-first century.

~Bill Ford

For all the progress, we recognize we're very far from the finish line.

~Bill Ford

As long as gas is cheaper than bottled water, we can't be in a position of dictating to the consumer what to buy.

~Bill Ford

Nobody's irreplaceable, including me. I think for too long we've had a cult of personality in this company and in this industry, and frankly, I'd like to see that diminish.

~Bill Ford

I think the world is filled with so much hype and PR bull. Frankly, it all comes out in the end. Good or bad, I'd rather just let our accomplishments really speak for themselves.

~Bill Ford

When I joined Ford, in the late 1970s, I felt strongly we could not forever be a huge user of natural resources without there being consequences. But I was alone in my thinking in those days.

~Bill Ford

All things being equal, I think people would still prefer to do business with their hometown companies. That's true in America, that's true in China, that's true in Germany.

~Bill Ford

I believe fuel cells will finally end the 100-year reign of the internal combustion engine. . . Fuel cells could be the predominant automotive power source in 25 years.

~Bill Ford

One cannot find a healthy economy anywhere in the world that does not have a strong industrial base, period.

~Bill Ford

I don't ever want to believe my own press clippings, good or bad.

~Bill Ford

I walked in and inherited a management group that I didn't know very well. They didn't know me, and we had a very short window to put

together a credible recovery plan.

~Bill Ford
