I would change policy, bring back natural grass and nickel beer. Baseball is the belly-button of our society. Straighten out baseball, and you straighten out the rest of the world.

~Bill Lee

You take a team with twenty-five assholes and I'll show you a pennant. I'll show you the New York Yankees.

~Bill Lee

I'm mad at Hank Aaron for deciding to play one more season. I threw him his last home run and thought I'd be remembered forever. Now, I'll have to throw him another.

~Bill Lee

The other day they asked me about mandatory drug testing. I said I believed in drug testing a long time ago. All through the sixties I tested everything.

~Bill Lee

People are too hung up on winning. I can get off on a really good helmet throw.

~Bill Lee

Kids don't learn the fundamentals of baseball at the games anymore.

~Bill Lee

The only rule I got is if you slide, get up.

~Bill Lee

The more self-centered and egotistical a guy is, the better ballplayer he's going to be.

~Bill Lee

When cerebral processes enter into sports, you start screwing up. It's

like the Constitution, which says separate church and state. You have to separate mind and body.

~Bill Lee

The most important question regarding Big Data at almost any company is: How much are your customers really worth?

~Bill Lee

Baseball is a lot like the Army, there aren't many individuals. About the only difference is that baseball players get to stay in nice hotels instead of barracks.
