Babylon 5 is probably the biggest, most ambitious television science fiction series ever made. It's one big novel told over five years with 110 different stories told within it.

~Bill Mummy

I have about 50 guitars around the house. I can't take more than a few steps without finding one to pick up.

~Bill Mummy

I have great respect for directors who know what they're doing.

~Bill Mummy

I get bored doing one thing only. I've been very lucky to explore a lot of different artistic territory and I don't see why I won't continue on that path.

~Bill Mummy

Personally, I don't think the film and television industries are run as well as they used to be. Oh sure, we've got great digital effects now but... where are the visionaries?

~Bill Mummy

Well, I just finished starring in a new episode of the new The Twilight Zone television series.

~Bill Mummy

Memorizing dialogue has always come easy and quickly to me. My wife Eileen is also very helpful. She gives me choices, and asks me questions, and runs my lines with me.

~Bill Mummy

Well, I've been a big fan of comic books since I was a little kid. In fact, I used to write and draw my own comic books when I was on the old Lost in Space series.

~Bill Mummy

I was doing Babylon 5 season two and I was in all 22 episodes of that.

~Bill Mummy

It got to the point in the late 70s and early 80s that I was spending so much money buying golden age comics that I could only justify it if I got work in the media.

~Bill Mummy

I really think the acoustics that Gibson's been making for the last ten years or so are as good as any the company has ever produced and that's saying a lot.

~Bill Mummy

Im also performing regularly in Southern California with two bands. As a solo artist doing acoustic sets and a member of the Jenerators, my rock n roll band that has been around for a long time now.

~Bill Mummy

I walk my dogs. I garden a little. I play a bit of tennis. Basically when I have spare time I'm making music.

~Bill Mummy

And of course, I absolutely loved making Lost in Space as a kid.

~Bill Mummy

I havent been doin much comic book writing for the last several years though, as Ive been writing television projects and a novel.

~Bill Mummy
