Nobody would be left to round out the workforce and execute the business plan.

~Bill Rancic

I'm a big fan of small business ownership. I think it's the backbone of American innovation. But to be successful, you first have to have the courage to go for it.

~Bill Rancic

When I'm interviewing someone, I want to make sure that he thought enough to take care of himself - to dress appropriately and to groom himself properly.

~Bill Rancic

Sulking about your mistakes only leads to future ones.

~Bill Rancic

When you lose your hair, it has an impact on confidence and your overall self-esteem whether it affects your career or your love life.

~Bill Rancic

Just because you didn't get your way, don't take your ball and go home.

~Bill Rancic

If I can lead a happy life, touch the lives of others in a positive way, win the respect of those that I care about... and make a few million along the way, then I have been successful.

~Bill Rancic

A lot of entrepreneurs let ego get in the way. You've got to be the conductor. You can't play all the instruments yourself. You have to get others to work together.

~Bill Rancic

So many reality shows are scripted and create this fake drama, and it's a bunch of bull. We wanted to do something real and something wholesome and something that's focused on positive family values.

~Bill Rancic

To the new 'Apprentice' candidates I would say to follow your gut instincts, be yourself and get ready to work hard for the next few months. Oh, and try to have some fun!

~Bill Rancic

It's more and more difficult to get through to your audience with all of the clutter. This is a great way for Ace to get [its] message out.

~Bill Rancic

Whether you want to admit it or not, people begin to judge you the minute you walk in the door.

~Bill Rancic

When things don't go your way, never forget who you are, and always remember the bigger picture.

~Bill Rancic

With breast cancer, it's all about detection. You have to educate young women and encourage them to do everything they have to do.

~Bill Rancic

It is up to us not to bury that potential we have.

~Bill Rancic

I was into real estate. I was always an entrepreneur.

~Bill Rancic

It's important to us to see the development and growth. At the end of the day, it's our baby. Genetically it's ours. It's our embryo. We feel very

connected.

~Bill Rancic

I'd wear flip-flops and jeans. I guess that's not cool.

~Bill Rancic

Chicago is seriously my favorite city in the country. People have roots here, which is nice. When you go to Los Angeles, no one is actually from Los Angeles.

~Bill Rancic

I had a very good job in corporate America, but I quickly knew that was not how I was wired.

~Bill Rancic

Winning 'The Apprentice' changed my life in ways I could never have imagined. It has been an amazing experience working for Donald Trump and I am very grateful for the whole opportunity.
