Brook Lopez had a better game than Deron Williams

~Bill Simmons

Has there ever been anyone quite like Paul Pierce ? No.

~Bill Simmons

Don't worry about what other people are doing. Worry about what you're doing.

~Bill Simmons

Coffee is the highlight of my day. After coffee everything is downhill.

~Bill Simmons

Writing is like playing golf - you have to keep working at your swing.

~Bill Simmons

In 1994, nobody could have predicted 'Shawshank' would one day be an iconic movie - and believe me, that would never have happened if Danny Glover had been Red instead of Morgan Freeman.

~Bill Simmons

Anytime someone calls you and identifies themselves with their full name, odds are it isn't someone you want to talk to under any circumstances.

~Bill Simmons

I think one of the great things about a football season is that you see teams play in all types of environments, and if you can't handle one of them, you probably don't deserve to win anyway.

~Bill Simmons

I am old enough to remember every Red Sox season since 1975. Baseball is long. Baseball takes forever. It's day in, day out, for six solid months - seven if you're lucky. Winning is always fun.

~Bill Simmons

One of my favorite things about basketball is that you can't break it down into some sort of science that makes total sense.

~Bill Simmons

But that's the thing about basketball: you don't play games on paper.

~Bill Simmons

I pride myself as being a very supportive parent. I go to my daughter's soccer games. I hit most of them. I try to go to all of them.

~Bill Simmons

The NBA and NHL have different agendas: The NBA is much more protective of its players and its brand; the NHL has less to lose, and it's in their best interest to generate buzz any way they can.
