People need help, advice and love, not websites telling you how to lose your last pound, or scantily clad, deeply anorexic celebrities parading around flaunting their golden bones.

~Billie Piper

No one had much faith in me because I was so young. They imagined a little brat with a flash-in-the-pan single. It was inevitable... Thankfully, I proved people wrong.

~Billie Piper

A musical film is my idea of heaven. You can pre-record, you don't have to sing live. Singing live was the bit I hated the most. I never felt like a confident singer.

~Billie Piper

Weight doesn't matter as long as you're happy with yourself.

~Billie Piper

I was very similar at 19. I wanted something to happen in life, I wanted a bit more. I wanted to find someone who could challenge my ideas. So I definitely tapped into that.

~Billie Piper

I was freakishly ambitious. I didn't want to be a child. I wanted my own flat, to work and be a grown up.

~Billie Piper

I love fresh flowers for my home. I spend far too much money on them, buying them almost every day.

~Billie Piper

Yeah, I fancy women big time... I check them out more than I check men out. Maybe I would want to sleep with a woman... Not Beyonce, although I like the look of her, I don't think she's that dirty.

~Billie Piper

Rose and I have gone on the most incredible journey over the past two years

~Billie Piper

I think people have common sense and can tell what's real, what's right or what's wrong and work it out.

~Billie Piper

The more things you own, the more people you need to employ.

~Billie Piper

The whole size zero debate is disgusting. My sister, who's 13, looks amazing - but she's already worried about her figure.

~Billie Piper

I think it must be hard being David [Tennant]. I get a certain level of attention but - I've seen it in action - he can't move for attention.

~Billie Piper

I'm happy in the UK. I absolutely love it and I've finally got a great group of friends. I've got a lovely little flat and my work's here.

~Billie Piper

I have to teach myself. I kind of wish I'd continued with my education, but that's something I can do in the future.

~Billie Piper

Steve Coogan does something for me. He is so naughty, but I quite fancy him.

~Billie Piper

I'm reading more than ever. I used to find it tedious, but now it's like my

little friend - it takes my mind off things.

~Billie Piper

In the next few years I'd love to play a female version of Doctor Who. I know exactly how I would play her - she would be crafty in a clever kind of way.

~Billie Piper

I now know how to walk around properly in my undies. People would keep telling me to push my tits out! I also now know how to use a whip on people without causing bruising.

~Billie Piper

I am thinking about those things now. More so than all my friends - they're a lot older than me, but they're not even thinking about babies.

~Billie Piper

I would really love to do a musical, I don't know in what capacity but something funny.
