You have to have some kind of power of observation, almost like a trained observer.

~Billy West

Life is for the living. I was a little scared before surgery 'cause of the release you sign that says there's always a very small percent chance that you'll die during the operation.

~Billy West

It had more layers than an onion. These writers meant business. There was a level for everybody. Your major could be celestial mechanics, and there'd be celestial-mechanics jokes.

~Billy West

You watch people and study them the way an alien would.

~Billy West

I consider myself to be flawed, but I made it work. I'm not perfect. Anybody who thinks they are is whacked-out.

~Billy West

I had people that were coming on my own website and attacking me. You know, they were like Hillary Clinton supporters? It was very ugly.

~Billy West

I'm not angry. Everybody thinks I'm so angry because I have a point of view. They're expecting me to just be all Smucker's Jam.

~Billy West

I didn't create Bugs Bunny. You know what I mean? I can't get mad because I'm the third-best Bugs Bunny in the world.

~Billy West

I got a liberal education. A white guy, rapping as Bugs Bunny, on a

quintuple-platinum album.

~Billy West

I'm not like a high intellectual. That's the thing.

~Billy West

Tom Kenny is a master of changing a pubic hair this way or that way, and sounding like a totally different character.

~Billy West

I've always said that you can't be the new Mel Blanc by doing Mel Blanc's voice.

~Billy West

But the throat just kind of falls into line once you realize in your head what it is. You got to remember the musicality of a character you're going to do.

~Billy West

Robert Mitchum sounded different from John Wayne, and John Wayne sounded different from Clark Gable.

~Billy West

As long as I can apply my craft, I'm happy.

~Billy West

Well, I happen to have a love of vocal reproduction devices.

~Billy West

Somebody's real voice is probably the hardest one that somebody could attempt.

~Billy West

Robin Williams understands sonic performances. He understands what

it's like to change your voice up.

~Billy West

I don't have that much of an ego where it's like "How dare you, you can't do something without me."

~Billy West

Even when I was coming through school I was a loner and I used to study music and listen to it and play it and play it, and I was in bands.

~Billy West

I don't get to watch Futurama, until it's on TV.

~Billy West

I'm not like a high intellectual.
