Some people are so poor, all they have is their money.

~Blake Griffin

You always want to be better than you are. No matter what, I think that's important.

~Blake Griffin

You have to fall in love with the process of becoming great.

~Blake Griffin

People can't measure the amount of heart you have and how much you're willing to fight for something.

~Blake Griffin

Energy is something you can control, in everything you do, you're going to face people more talented than you. I set myself apart by bringing more energy than they do.

~Blake Griffin

The sincerity with which you do things, that's what shapes your life.

~Blake Griffin

If you love the game and you love playing, just have fun and enjoy it. Work hard and don't get bogged down by it.

~Blake Griffin

I'm thankful for some of bad experiences I've had. They helped me with the way I view people and see them for who they really are.

~Blake Griffin

This must be how the guys in Space Jam felt when MJ gave them their powers back through that old basketball.

~Blake Griffin

The best part is if you dunk on someone at home and they show it on the replay!

~Blake Griffin

Basketball has always and will always come first to me but it's also given me the chance to do really fun things and work with really fun people and it's something I'm lucky to have.

~Blake Griffin

Once you become complacent and once you're happy with your performance or whatever it is, I don't think you'll get better as quickly.

~Blake Griffin

My goal is to let people see who I am as a person, not just a basketball player. Many people see athletes in a certain way - flat and one dimensional. I want to change that view.

~Blake Griffin

You know when grandparents get older and they can't do things for themselves anymore? I'm gonna struggle with that. Because I hate depending on people to do anything for me.

~Blake Griffin

I'm going to be working on my shot. Working on extending my range. Keep working on everything, and really studying the game.

~Blake Griffin

Teams want me to do something stupid. You want to get to the point where nothing affects you, where you control them.

~Blake Griffin

It's cool to actually have my own trading card.

~Blake Griffin

We're not going to think about what's happened in the past.

~Blake Griffin

The people that are surrounding me have my best interest.

~Blake Griffin

I was always chasing Taylor, trying to keep up with him.

~Blake Griffin

This has been a dream for me.

~Blake Griffin

I wanted to play in the NBA, I wanted to play sports, I wanted to do all this. And I have. I think I am becoming a man.

~Blake Griffin

Take care of your body from the inside out.

~Blake Griffin

I followed Taylor everywhere. I was always trying to catch up after him or go with him.

~Blake Griffin

I'm not a huge fan of plastic surgery, for either guys or girls.

~Blake Griffin

It seemed like we were losing every night for a different reason. Now we're winning a different way every time. It's a great feeling.

~Blake Griffin

College. I didn't even realize it was carefree at the time, but looking back, that was the most carefree time ever.

~Blake Griffin

If you read a label and just look up the ingredients, you'll be able to figure out really easily what's good for you and what's bad.

~Blake Griffin
