And even when success comes, as I am sure it will, bear in mind that there are more quiet and enviable joys than to be among the most sought after women at a ball.

~Blanche Wiesen Cook

Women who love women, who choose women to nurture and support and to create a living environment in which to work creatively and independently, are lesbians.

~Blanche Wiesen Cook

So she [Eleanor Roosevelt] is an amazing First Lady. What other First Lady in U.S. history has ever written a book to criticize her husband's policies?
