In America, small business is a big deal.

~Bob Beauprez

Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations.

~Bob Beauprez

As freedom-loving people across the globe hope for an end to tyranny, we will never forget the enormous suffering of the Holocaust.

~Bob Beauprez

The new discovery of a 3.3 billion barrel oil deposit off Norway's coast cements that nation's claim to being Europe's second largest oil producer.

~Bob Beauprez

Common sense tells us that we should focus our resources to benefit children, teachers and taxpayers by keeping dollars in the classroom.

~Bob Beauprez

Americans are paying for our lack of an energy policy with their jobs and out of their pocketbooks.

~Bob Beauprez

Just to keep up with population growth, on average our economy needs to be adding about 125,000 jobs per month.

~Bob Beauprez

Obliging elected Democrats willingly pander to the radical lefties who elevated them to their throne.

~Bob Beauprez

Two new workers are being added to the population for every one job that is created.

~Bob Beauprez
