Gen. Tommy Franks told me the war was being compromised as specialized personnel and equipment were being shifted from Afghanistan to prepare for the war in Iraq - a war more than a year away.

~Bob Graham

I consider my voice to be a centrist moderate voice among the nine Democratic candidates.

~Bob Graham

During the Cold War, we gathered information by listening to the Soviets, taking pictures of the Soviets, and we allowed our human intelligence to decline.

~Bob Graham

The president, clearly as a result of the war and the afterglow of the war, is in a time of great attention.

~Bob Graham

The White House was signaling that the threat posed by Saddam Hussein was of such urgency that it had priority over the crushing of al Qaeda.

~Bob Graham

We need to make a greater investment in human intelligence.

~Bob Graham

I have had national security background, 10 years on the Intelligence Committee, the last two years as chair.
