*People, Thinking, Opportunity, Government, Jobs, Abortion, Doctors, Dream, Wife, Coverage, Whole Life, Employment, Recovery, Honest, Senior, Medical, Percent, Expanding, Chairman, Mother*

Republican governors are leading the way in helping the private sector create new jobs, reforming government and getting our economy back on track.

~Bob McDonnell

I wrote my thesis on welfare policy.

~Bob McDonnell

Informed consent is required for every invasive medical procedure, from getting your ears pierced to having an abortion.

~Bob McDonnell

Fiscal responsibility and government reform are going to be good themes for governing, well at any time, but particularly coming out of a recovery.

~Bob McDonnell

I am all for using business - public and private - to expand healthcare coverage.

~Bob McDonnell

I'm really the candidate who has really lived his whole life in suburbia.

~Bob McDonnell

Jobs are what give people a sense of fulfillment and self-reliance.

~Bob McDonnell

Doctors have an ethical duty to follow the practices and standards of care.

~Bob McDonnell

I listened to 19 guilty verdicts for my wife and me. And all I could do was sob.

~Bob McDonnell

I made a fairly bold pledge that I wanted Virginia to be the energy capital of the East Coast.

~Bob McDonnell

I'm chairman of the Republican Governors Association.

~Bob McDonnell

I didn't know what a Rolex cost to be honest. I'm a Seiko and Timex guy, and always have been.

~Bob McDonnell

Like everybody, my views on many issues have changed as I have gotten older.

~Bob McDonnell

Military families so much appreciate the love, support and prayers.

~Bob McDonnell

No matter what side of the spectrum you're on, you like to see your team fighting for the principle.

~Bob McDonnell

No president has ever been elected with unemployment over 8 percent.

~Bob McDonnell

Success in business today requires real-time, mobile access to business opportunities.

~Bob McDonnell

The citizens must be certain that the governor is attending to the duties for which he was elected.

~Bob McDonnell

I think the more we embrace the culture of life and respect life, the better that we do.

~Bob McDonnell

I think people are by-and-large happy with the providers that they have got now. They treasure that doctor-patient relationship.

~Bob McDonnell

I think in Washington, D.C., a lot of people are talking down about business.

~Bob McDonnell

People want results. I call it 'results oriented conservatism,' R.O.C. because that's what people want out of government.

~Bob McDonnell

My wife and daughters work. My campaign manager in 2005 was a working mother. I appointed 5 women to my senior staff as Attorney General.

~Bob McDonnell

I don't think the objective of an abortion clinic is to try to talk women out of having the procedure. That obviously would not be positive for their bottom line.

~Bob McDonnell

The EPA is now the Employment Prevention Agency.

~Bob McDonnell

If you know you're supported, you're going to work harder, you're going to be more focused on your mission.

~Bob McDonnell

Are we a nation of guarantees or are we a nation of opportunities to

achieve the American dream?

~Bob McDonnell

Every governor's got tough choices to make.

~Bob McDonnell

Expanding Medicaid without fixing Medicaid is a terrible idea.

~Bob McDonnell
